

AGENDA

Meeting of the Blue Ribbon Panel on Advanced Airbags

Boston, Massachusetts
October 5, 2004

- 11:00 a.m. Discussion and approval of minutes from January 20, 2004
- 11:15 a.m. Presentation – Dainius Dalmotas, Transport Canada
- Discuss Transport Canada's approach to 208
 - NASS findings of chest injury in frontal crashes as a function of gender and age
- 12:15 p.m. Lunch
- 1:15 pm Update on NASS/CDS data collection and plans for next year
Chip Chidester, Tom Carr
- Discussion of timing of Request for Proposal (RFP).
Is now the right time? Are there particular topics within frontal crash protection we would like to see research on? If not, is there something else we should be doing with the money set aside for this purpose?
- 2:15 p.m. What should be the continuing role for the BRP once data collection are concluded?
- 3:00 p.m. Other topics
- 3:30 pm Adjourn Meeting
